UTAH ALFALFA SEED

YELLOW AS GOLD

Our brightest, best seed is rapidly going into the hands of wholesale dealers. Later in the season we will not be able to supply you with as desirable stock as we can ship you now.

You will need some of this staple seed for your spring trade. Why not buy now? We enclose you sample of our Lot "A" which we will sell today at 12 cents per lb.

Beware of foreign seed. One can easily ruin a trade it has taken years to build up by giving their customers a bad lot of imported stock. You will make no mistake in buying now.

WE QUOTE CHOICE STOCK AT BUT 12 CENTS PER LB.

Here are freight rates to the principal Cities in the Union:
